RE: ECONOMIC DEVELOPMENT REGIONAL FORUMS

Regional forums on First Nations Economic Development will be held in order to discuss and review a draft framework for a *BC First Nations Economic Development Strategy*. We encourage Chiefs, Councils and economic development officers to attend these important sessions in order to provide input into the development of a province-wide economic development strategy.

These sessions will also be used as an opportunity to provide advice on the recommendations from the January 2007 BC First Nation Community Economic Development Forum which was held in Richmond, BC

To obtain a copy of the draft Framework in advance of the regional sessions, please contact: hjohnson@fns.bc.ca or wade.grant@bcfn.ca
