

# B.C. Fires: Community Partnerships Program

## How the Red Cross helps

Through funding from the Province of B.C., **\$5 million** initial allocation to support community driven efforts for recovery and resiliency

---

## Support through 5 areas of programming

Please note that we are prioritizing applications that support Emergency Relief at this time.

- **Emergency relief** to support immediate needs
  - **Community strengthening** to support community connectedness
  - **Safety & wellbeing** to support individual and community psychosocial services
  - **Indigenous programming** to support impacted Indigenous communities
  - **Disaster Risk Reduction** to support mitigation and preparedness for future disasters
- 

## Who can apply?

Community organizations located in Canada with programming in affected communities:

- Registered charities
  - Not-for-profit organizations
  - Municipalities
  - Non-governmental organizations
  - Schools and school boards
  - Indigenous organizations
  - Faith-based organizations
-
