NOTICE

OPPORTUNITY FOR SECTOR COUNCILS AND ORGANIZATIONS TO PROVIDE REGULAR WRITTEN REPORTS AT FIRST NATIONS SUMMIT MEETINGS

TO: FIRST NATIONS SECTORAL ORGANIZATIONS AND COUNCILS
FROM: FIRST NATIONS SUMMIT OFFICE
DATE: February 10, 2026

The First Nations Summit (FNS) would like to provide First Nations Sector Councils and organizations the opportunity to provide regular written update reports at First Nations Summit meetings.

We do recognize that several Councils provide written updates from time to time – this initiative endeavors to regularize the Councils/organizations' communication efforts with the FNS Chiefs and delegates.

These written reports will be compiled and included in a specific Sectoral Updates section in the meeting binders provided to Chiefs and delegates at each FNS meeting. Attached is a standardized report template that should be used in crafting the report for submission.

These written reports are another opportunity, in addition to your normal communications activities, for your Council/organization to apprise First Nations of your activities, initiatives, and accomplishments. As well, the reports could highlight areas where specific political advocacy may be required, including organizations' funding requests.

These written reports are separate from meeting agenda time, which may still be requested via the normal procedure when your Council/organization wishes to communicate specific information and/or seek specific time-sensitive feedback or support from First Nations.

The submission deadline for the written reports to be included in the meeting binders is 10 days prior to the meeting dates, as the meeting binder is sent to the printer for copying one week prior to each FNS meeting.

Submission deadlines of written reports for the 2026 FNS meeting dates are:

- March 23, 2026 (for the April 1 – 2, 2026 meeting)
- June 15, 2026 (for the June 24 – 25, 2026 meeting)
- November 9, 2026 (for the November 18 – 19, 2026 meeting)

Should you have any questions or concerns regarding this information, please contact Colin Braker or Marilyn Teneese at the FNS office.
