RE: ***APRIL 2026 FIRST NATIONS SUMMIT MEETING – ADJUSTMENT TO A ONE-DAY MEETING ON APRIL 2, 2026***

It is with tremendous sadness that we share news of the passing of our long-time friend, colleague and First Nations Summit (FNS) Executive Director Howard E. Grant.

Services at Musqueam to pay tribute to Howard are scheduled for Wednesday, April 1, 2026. All Chiefs and leaders planning on attending the FNS meeting are invited to attend the services.

In keeping with his family's wishes, **we have agreed to proceed with a 1-day First Nations Summit meeting on Thursday, April 2, 2026. We have adjusted our meeting agenda accordingly.** Several agenda items have now been deferred from our April 2026 agenda to our June 2026 agenda.

The election for two Commissioners to the BC Treaty Commission will still proceed. Should more than two qualified candidates be identified at the close of the nomination period on April 1, 2026, a voting process will take place in-person and electronically on April 2, 2026. Official information will be prepared by the FNS Electoral Officer and circulated separately.

Attached to this notice is a REVISED AGENDA for the April 2, 2026 First Nations Summit meeting.
